You already know that being a member of UNISON gives you some really great membership benefits, the 50+ Healthcare Plan is no exception.

We've developed this plan specifically for you as a low cost alternative to private medical insurance, helping you plan your finances for the cost of visiting the dentist, optician, physiotherapist and much much more.

Market Leading Benefits:

- We guarantee you'll be accepted on this plan.
- No medical questions.
- No age limit to join.
- You get 100% on all benefits, not 50% like most other plans.
- If you have an existing healthcare plan, switching is easy. Following your first payment you're covered and can claim immediately.

This plan really helps take the stress out of your healthcare provision and lets you concentrate on the important things in life. Remember, it's only available to you as a member of UNISON, you won't see this plan on the high street.

For as little as £3.00 per week you're covered.
